EasyStage Staging Brochure

This new and unique stage system is designed to eliminate the need of using separate components when building a stage. The legs simply fold open and lock into place and the platforms lock together with a turn of an Allen key.

The legs open out in seconds enabling you to assemble your stage quickly and with the minimum of fuss.

The system can be supplied with a range of essentials to enable you to make the perfect stage for your needs.

Platform Decks

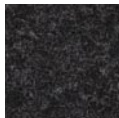

The platform decks are available in 1000mm x 1000mm squares which weigh 22kg and feature a heavy duty inset 21mm black stained Beech blockboard. They can be supplied with an optional 4mm thick industrial quality carpet in a choice of 4 colours which weigh 24kg.

The leg heights available are 400mm and 600mm.

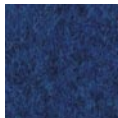

Stained Black

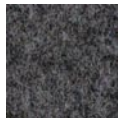

Anthracite Carpet

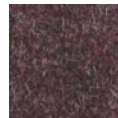

Dark Blue Carpet

Dark Grey Carpet

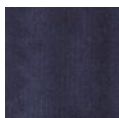

Dark Red Carpet

Stage Valance

The flame retardant, pleated velour valance has a Velcro® fastening for attaching to the edge of the deck platforms. Velcro® for the stage edge to be purchased separately. The valance is available in 5 popular colours. Conforms to BS5867 Part 2, Type B.

Navy Blue Valance

Royal Blue Valance

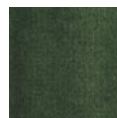

Wine Valance

Black Valance

Greenwood Valance

All EasyStage staging is made to order. Please be sure that you have selected the correct components for your requirements. Any products ordered in error will incur a handling charge of up to 50%.

Delivery times are approximately 4 weeks.

All prices correct at time of going to press.

At Tablelite Sales Ltd we believe in a policy of continuous improvement.

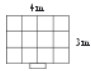

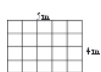

As such the company reserves the right to alter product availability without prior notice.

All colours shown are printed within the limitations of four colour printing and should be used as a guide only.

The ownership of the goods shall remain with the Company until such time that payment has been received in full.

Any configuration can be constructed using the various leg heights.
To order please select the deck colour, leg height, length and colour of valance if required, plus any accessories.
